News from The Little Brown Church Council Chair

Summer is quickly coming to a close and I would like to take the time to express my thanks to everyone who has assisted in helping out here at Little Brown Church during this time. So far this year we have continued to make improvements to the church and its grounds, from adding a storage shed (with matching paint colors) to replacing the cross on the bell tower (which took a swan dive off the top) and adding brilliant nightly illumination to our stained glass window.

There is still more that needs to be done. Our fountain in the courtyard is one example – it's been inoperative for many months. A new motor is needed, then a creative way to replace it without major disassembly. Also, the front of the church can use areas of its paint job touched up. We now have enough extra brown paint. Then, on a more significant scale, we need to come up with a way to level out Babbitt Hall, which has sunk a few inches on the left side.

Blessings to all,

Allen Cook

Shelter dinners

Robin Spindler has lined up three more dates for LBC to provide the evening meal at Sunrise Village. Please let Robin know if you can help. Cooks and servers should be at the shelter at 588 Brown Road, Fremont, between 4 and 5 p.m. Menu ideas are always welcome.
