June 2021

We expect to resume in-person worship on Sunday, June 20, if state and federal health agencies agree. Please see below for more details and plan to join us for this grand reopening!

In this issue:

- June-July calendar
- How we will reopen safely
- Everybody's birthday party
- How we will keep in touch

June-July Calendar

Sunday, June 20 ... In-person worship resumes; Father's Day; birthday party

Sunday, July 4 ... Independence Day

Reopening safely

We expect to safely reopen on Sunday, June 20, and will be taking some extra precautions, including two air purifiers in the sanctuary. Our windows will have to remain closed (they're painted shut and the old glass is delicate) but doors can stay open for ventilation. And we will sit in every other pew.

Please feel free to wear a mask if you want. Just about all our members will have been fully vaccinated by then, and we urge everyone to get those shots. We do plan to sing. Holy Communion will be offered, although probably in a different format from usual.

Everybody's Birthday Party

With the resumption of in-person worship, we will revive our tradition of observing our birthdays. And since all of us had at least one birthday during the pandemic lockdown, we will celebrate them all at once on June 20. We will serve a birthday cake right after the worship service. And remember to bring your small change to equal your age!

Keeping in Touch

During the lockdown, we have learned that many people who live at a distance deeply appreciated receiving the weekly email worship services. As we return to in-person worship, we plan to continue emailing the sermon during 2021 so that we can maintain this connection. Please let us know if you find this meaningful.
